

I most enjoy creating very large drawings and relatively small drawings; both extremes in size offer a similar intimacy that may engulf and reward the patient viewer.

Presented here are two editions of five small text-based drawings that one may hold with two hands, You and Me. Hopefully, these drawings will never be displayed as framed but savored over time with each subsequent encounter.

Box Specifications: The structure of the box begins with a top and bottom support made of Maple finished with an ebony stain. The box top, with one other part, is covered with an Alpaca and wool blend from Italy. The red fabric is a sunback lining. The back of the box is Zinc coated steel, incised with a grid with screws and cup washers attached to the surface. The leg/supports are covered in the Alpaca and wool blend. Outside measurements are 10x16x2.5in./25x41x6cm.
